

## Mike Martone- Biography

---

Michael Martone leads the Health Care Consulting function for Providium Consulting Group, LLC. With a decade of hands-on experience, Mike's strong focus within the healthcare segment allows the delivery of unique benefit solutions. Mike helps both the company and employee groups understand the choices available to them in selecting the most cost-effective quality health care option. Once a company has selected the appropriate solution, Mike and his team provide support with the implementation process and on-going assistance with the management of the plan.

Prior to joining Providium Consulting Group, Mike's career focus has been various corporate Human Resource positions covering several different industry types to include health care, manufacturing and technology. He has both tactical and strategic experience managing corporate compensation and benefits for domestic and International companies.

Additionally, Mike brings technical expertise in the assessment and implementation of health insurance plan design and funding arrangements. Mike holds a bachelor's degree in Business Administration from Roberts Wesleyan College and a master's degree in Public Administration from the State University of New York College at Brockport. He currently resides in the village of Spencerport with his wife, Kendra, and their three children.

Providium Consulting Group
